OLD/NEW BUSINESS

No old or new business brought before the floor.

MOTION TO ADJOURN BUSINESS MEETING

Motion made and carried.

BUSINESS MEETING ADJOURNED

LUNCH

Ron Gillen, CalArk International, ATA MTC Chairman to provided safety message and introduced presenter.

SAFETY MESSAGE

When it comes to welding or the use of a cutting torch. Not only is it proper safety to utilize welding helmets, but the use of Welding gloves and protective welding jackets is a necessity. Also, consider the other people around you and make proper use of welding screens to protect them as well.

Occupational Safety and Health Administration's (OSHA's) Clark Thomas, Safety Administrator of the Arkansas Department of Labor Biography:

Occupational Safety and Health Administration's (OSHA's) Clark Thomas, Safety Administrator of the Arkansas Department of Labor received his formal education from AM & N College (now University of Arkansas at Pine Bluff), where he earned a Bachelor of Art (BA) degree in industrial art.

Mr. Thomas has received several certificates from the OSHA Training Institute for completing studies in: accident investigation, accident prevention, developing & setting up safety & health programs, initial OSHA compliance course, grain industry safety, basic consultation course and other studies provided by the University of Arkansas at Fayetteville (U of A) that further prepared him for the safety field.

He is certified as Safety Professional Source by the Arkansas' Workers Compensation Commission (AWCC).

He is a member of AFSCME Local 1399 and a member of Arkansas Forestry Association.

He has been employed by the Arkansas Department of Labor for approximately 44 years where he currently serves as Safety Administrator for the Safety Division, which consists of supervising approximately sixteen (16) OSHA employees. His job duties involve:

- Processing various monthly and annual reports for OSHA & the Department of Labor
- Making public speaking appearances
- Presenting safety award presentations
- Monitoring the effectiveness of the overall OSHA safety and health program
- Organizing and conducting various safety conferences around the state
- Coordinating SHARP Association meetings and annual conference

His previous job duties consisted of:

- OSHA Consultant
- OSHA Compliance Officer
- Training Coordinator
- State Safety Supervisor
- State Safety Inspector

During his tenure with the Arkansas Department of Labor, Safety Division, he has written several safety and health manuals which have been utilized by the safety and health staff as a resource guide.

Thomas was a speaker at the National OSHA Consultation meeting in 2004. Voted as a top Project Manager in Region VI in 2005, 2009 and 2015. During this same time frame, he received an Oscar Award for establishing a Teen Safety Program, SHARP Association within the State and Temporary Worker Safety Hand Booklet.

POWERPOINT PRESENTATION AND HANDOUT MATERIALS/ Q&A
