

TO: ATA M&TC Members  
FROM: Ed Szarmach  
Chairman, ATA Maintenance & Technology Council  
SUBJECT: April Meeting Notification

The Arkansas Trucking Association Maintenance & Technology Council meeting is scheduled for **Thursday, April 16, 2009**. It will be held at the **Fort Smith Convention Center**, located at 55 South 7th Street (downtown), **Fort Smith, AR 72901**, in Meeting Rooms 4, 5 & 6 across from the Performing Arts Theater. Use parking lot off Wheeler Avenue, enter in south end of the building. Directions from I-40 West, take Exit #7. From I-540, take Van Buren/Fort Smith.

We will begin with a business meeting at **11:00am** for those interested. Lunch and the presentation will follow at **11:30am**.

*Topic:* Saving Money and Extending Oil Life with Bypass Filters

*Presenters:* Randy Fields and Matty McLain, Filtration Solutions Worldwide

*Overview:* There will be a short demonstration to highlight the differences between full flow and bypass oil filtration. We will discuss how fleets are saving money with this technology by doubling the life of their engine oil and extending engine life. With several bypass filters on the market, we will briefly discuss the differences of each. This session will also include an explanation of how to test a bypass filter on your fleet and guarantee the results.

Please notify ATA if you will be attending so we can properly accommodate everyone. You may RSVP by calling 501-372-3462, by faxing this form to 501-376-1810, or by mailing the below to the ATA office, P.O. Box 3476, Little Rock, AR 72203. Please note there is a \$20 per person luncheon fee that will be billed upon attendance.

We would like to extend a thank you to Meritor WABCO for the March presentation. If you are interested in being a presenter at a future ATA-M&TC meeting, please contact Sarah Sheets at the ATA office.
